

U.S. GLOBAL INDUSTRIES

“INNOVATIVE SOLUTIONS IN GOVERNMENT CONTRACTING”

UEI # EMPTWUNHV1V6

CAGE CODE: 9VEV0

CAPABILITY STATEMENT

Our mission statement is “innovative solutions in government contracting.” We will work hard to find the right solution for our clients. As a small business in the government contracting industry, we are dedicated to providing quality and value for our customers. We have access to a network of suppliers and vendors ready to support the needs of our clients. We are ready to serve and have the capacity to deliver results.

CERTIFICATIONS

- Veteran Owned & Operated
- Minority Owned Business
- For Profit Organization
- 8(a) SBA Certification (in progress)
- Service-disabled Veteran Certification (in progress)

DIFFERENTIATORS

U.S. Global Industries is led by two U.S. Air Force veterans with over 45 years of combined military service and experience. As a small business, we are **highly motivated** to onboard new contracts in order to bolster our business profile and build our network partnerships. In doing so, we intend to exceed our clients expectations in order to forge relationships and build trust within the industry.

CAPABILITIES

We specialize in aircraft operations such as logistics, maintenance, and support. Additionally we are equipped to provide services that include, but are not limited to:

- Aircraft Operations and Support
- Procurement and Delivery of Goods
- Transportation and Logistics
- Bulk Food Supply and Delivery
- Facility Maintenance and Security
- Bulk Dry Cleaning and Laundry

PROSPECTIVE CLIENTS

- Department of Defense
- Department of Homeland Security
- Department of Veteran Affairs
- Local and State Government
- International Private Companies
- Other Government Agencies
